

## We at **Isaiah 61 Ministries** invite you to join us as we rejoice in His goodness and faithfulness to us...

*"Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen."  
Ephesians 3:20 NKJV*

I will never cease to be amazed at my God!!! He leaves me speechless!!! Yes, me...speechless!!!

Isaiah 61 Ministries, Inc. has not even reached its 2nd birthday and, in many respects, is still a "toddler." Yet at the same time, the ministry is growing in leaps and bounds and I can hardly keep up! Even in the midst of dealing with a pandemic, the ministry has grown to a point I am being stretched in ways I never dreamed or imagined, especially this early in its existence. I knew at some point, assuming several years down the road, we would need more space and trusted when the time came, the Lord would once again provide for our needs as He has done so graciously already. Apparently, His timetable and mine are not in sync! And Isaiah 61 Ministries, Inc. is now the proud owner of its own space that is more than double the space it is currently operating in!!!! You can find the backstory in more detail through my blog on the website, [i61ministries.net](http://i61ministries.net), but let me give you the short version.

The upstairs office space in our building was being vacated. A tiny glimmer of possibility was ignited, but quickly snuffed out simply because Isaiah 61 is too "young" to have a solid financial history. Plus, Isaiah 61 Ministries operates solely on donations from individuals, churches and businesses and does not have the means of creating income. The financial world simply did not understand our request for a mortgage loan for office space that God had opened up in order to expand His ministry even further into the community, nor did they share our faith in the knowledge He would provide the monies to repay the loan over time! But God didn't let that stop Him or His plans for expansion!!! When the owners of the upstairs office learned the ministry simply could not get its own loan through conventional means, they felt led of the Lord to not only take a SIGNIFICANT loss on the property, but to also completely finance it at a modest interest rate, AND a low, affordable monthly payment!!!!

Oh, and wait, it gets even better! Without even going public regarding this new venture, God began to stir the hearts of several couples, a few individuals and a local church to get on board with what He was doing. Within about a month of signing the papers for the new office, God provided new flooring, all the paint and related supplies and the funds for two new counter tops, curtains and more!!! AND FREE LABOR for all the work involved in remodeling!!! EXCEEDINGLY AND ABUNDANTLY!!!!

Yes, there are still lots of needs but, in His time and in His ways, the Lord will continue to provide, and all that is left for me to do is to PRAISE HIM!!! And to pray for the energy and wisdom to keep up with the Lord and this not-quite-yet 2-year-old toddler!!!
